Measures for Smooth & Fair Conduct of Examination:

- NTA made elaborate arrangements at various levels and ensured smooth conduct of the examination through robust planning, use of technology, and close coordination with Central and State authorities.
- Special emphasis was made on the random deployment of exam functionaries in all centres. 267 City Coordinator, 731 Observers and representative of certain Government Cyber Security Agencies were deputed for examination duties in various cities and centres.
- For the centres outside India, close coordination was done with the Embassy of India/ High Commission of India in those Countries. Special Observers from Indian Embassies were deputed for examination duties in various centres outside India.
- A Central Control Room was opened at NTA to monitor and facilitate the smooth conduct Examination on the ground. The NTA also made arrangements for live viewing of locations of all examination centres from the Control Room located in the premises of New Delhi.
- Live CCTV Surveillance was planned in all examination centres to curb malpractices in the examination and Jammers were installed in all the Centres to prevent unfair practices by the candidates during the examination through mobile or any other electronic device.
- The examination centres were also monitored using AI-based Video Analytics and Virtual Observers.

The entire examination for all shifts was conducted smoothly and successfully.

The Candidates are advised to visit the official NTA website (<https://exams.nta.nic.in/cuet-pg/>) for downloading their scorecards and for all admission related procedures/queries, the candidates are advised to refer to the website of the University where admission is sought.
